

Your sponsorship will help support:

Individualized education programs for 115 students, ages 5-21, in the Children's Program

The Special Touch Bakery, The Woodworking shop and Partners With Industry which provide a uniquely supportive environment in which 90 adults are gainfully employed.

Vocational training areas where children learn through hands-on experience in ceramics, food service, weaving, sewing and piece work.

Clinical services that provide speech and occupational therapy programs in the classroom and individually.

Please call the agency at any time to schedule a tour of our facilities. We'd be happy to show you our programs and have you meet our wonderful students and adults.

A portion of your donation is deductible as a charitable contribution.

Thanks to the 2010 committee
