

your sponsorship will help
support programs for
individuals with
developmental disabilities

- individualized education programs for 116 students, ages 5-21, in the children's program
- the special touch bakery, the woodworking shop and partners with industry which provide a uniquely supportive environment in which 90 adults are gainfully employed.
- vocational training areas where children learn through hands-on experience in ceramics, food service and community based instruction.
- clinical services that provide speech and occupational therapy programs in the classroom and individually.
- please call the agency at any time to schedule a tour of our facilities. We'd be happy to show you our programs and have you meet our wonderful students and adults.

A portion of your donation is deductible as a charitable contribution.
