Donations for the purchase of items are welcome as well, using our secure online donation form or by check. Please be sure to indicated exactly what your donation is for.

## Thank you!

We appreciate all donations; however we are only able to accept items that are useable by our agency and in good condition. We are not able to accept appliances, used computers, furniture or old televisions. If you have items to donate that are not on our wish list, holding a garage sale and donating the proceeds is another great way you can help.
