

A message from Holy Childhood President & CEO, Donna Dedee  
Monday, March 16, 2020 4:25 p.m.

An important update on the COVID-19 situation. Effective immediately, ALL HOLY CHILDHOOD PROGRAMS AND SERVICES ARE SUSPENDED UNTIL FURTHER NOTICE. This includes all adult services and all school and related services. School families will be receiving instructional and support materials, focused on your child's needs, in the mail over the next few days. We hope this will provide instructional continuity and guidance during this time away from school. Should you have an urgent need, please contact your Care Coordinator or leave a message for a Holy Childhood Program Director by accessing the voicemail directory at 585-359-3710—we will be checking voicemails and emails. We will issue updates as events warrant. Please stay healthy and well, and we look forward to seeing everyone back to normal very soon.
